

Acronym	Description
4MATIC	4 WHEEL DRIVE / ALL WHEEL DRIVE
A/C	Air Conditioning - Automatic -Tempmatic
AAC	Automatic Air Conditioning
AAM	All Activity Module
AB	Supplemental Restraint System (Airbag)
ABC	Active body control
ABS	Antilock Brake System
ACS	Automatic clutch system
ACSR	R Automatic Child Seat Recognition
ADM	Automatic Dimming Inside Rearview Mirror
ADS	AUTOMATIC DAMPING SYSTEM (SUSPENSION)
ÄfÄ“	RB ROLL BAR CONTROL
AHE	Trailer recognition
AHV	Trailer coupling
AIR	Secondary Air Injection
AKR	Anti-Knock Regulation
AP	Accelerator Pedal
APS	Auto pilot system
AS	Antenna System
ASD	Automatic Locking Differential
ASR	Anti Slip Regulation / Acceleration Skid Control
AT	Automatic Transmission
ATA	Anti-theft alarm system
BA	Backup Assist
BARO	Barometric Pressure
BAS	Brake Assist System
BCAP	PC Barometric Pressure-charge Air Pressure Compensation
BDC	Bottom Dead Center
BM	Base Module (Master Ecu Controller)
BOU	Brake Operating Unit
BPC	Barometric Pressure Compensation
CA	Closing Assist
CAN	Controller Area Network
CC	Cruise Control (Tempomat)
CCM	Combination Control Module
CDC	Cd Changer
CF	Convenience Feature
CFI	Continuous Fuel Injection
CKA	Crank Angle
CKP	Crankshaft Position
CL	Central Locking CENTRAL LOCKING

CLUS	Instrument Cluster
CMP	Camshaft Position
CNS	Communication and Navigation System
CST	Cabriolet Soft Top
CTEL	Cellular Telephone
CTP	Closed Throttle Position (Idle)
CTU	Central Triggering Unit
CV	Convertible soft top
DAS	Driver Authorization System
DFI	Electronic Distributor-type Fuel Injection
DI	Distributor Ignition System
DM	(USA) Diagnostic Module (Emissions)
DM	DIAGNOSTIC MODULE (EMISSIONS)
DTC	Diagnostic Trouble Code
EA	Electronic Accelerator
EAG	Electronic automatic transmission control (Auto transmission)
EAM	Extended activity module (As of model year 2000)
EATC	Electronic Automatic Transmission Control
EBP	Electronic Brake Proportioning
EBR	Electronic Brake Regulation
EBR	Engine Brake Regulation
ECL	Engine Coolant Level
ECT	Engine Coolant Temperature
EDC	Electronic Diesel Control
EDR	Electronic Diesel Regulation
EDS	Electronic Diesel System
EDW	Anti-theft warning system
EFP	Electronic Accelerator
E-Gas	Electronic Accelerator
EGR	Exhaust Gas Recirculation
EGS	Electronic Transmission Control Gear system (Auto transmission)
EI	Electronic Ignition (distributorless)
EIFI	Electronic In-line Fuel Injection
EIS	Electronic ignition switch ELCODE(DAS 3)
EL	Exterior Lighting
EL E	EXTERIOR LIGHTING
EMSC	Electric Mirror, Steering Column Adjustment, Heated Mirrors
EPC	Electronic Power Control
EPH	Parking aid
ERE	Electronic In-line Fuel System
ESA	Electric Seat Adjustment
ESC	Electric Steering Column Adjustment

ESCM	Engine System Control Module
ESP	Electronic Stability Program
ETC	Electronic Transmission Control
ETR	Emergency Tensioning Retractor
ETS	Electronic Traction System
EVAP	P Evaporative Emission Control System
EVE	Electronic Distributor-type Fuel Injection
EZL	Distributor Ignition System
FAN	Fanfare Horns
FFS	Frame Floor System
FOM	Folding Outside Mirrors
FP	Fuel Pump
FTC	Front transmission control
GIM	Governor Impulse Method
GM	Base Module (Master Ecu Controller)
GRM	Gear recognition module
GUB	Seat belt extender
GUS	Seat belt tensioner
HAL	Rear wheel steering
HAU	Automatic Heater
HCS	Headlamp Cleaning System
HEAT	Automatic Heater
HFM	Hot Film Engine Management
HFS	Hands Free System
HHT	Hand Held Tester
HM	Heated Mirrors
HORN	Horn system
HRA	Headlamp range adjustment
HS	Heated Seats
HZS	Additional trunk lid lock
IAT	Intake Air Temperature
IC	Instrument Cluster
IDC	In Dash Controller
IFI	Electronic In-line Fuel System(diesel)
IFZ	Infrared Remote Central Locking
IL	Interior Lighting
IR	Infrared
IRCL	L Infrared Remote Central Locking
IRM	Inside Rearview Mirror
IRS	Interior compartment protection
ISC	Idle Speed Control
KAF	Retractable rear head restraints
KE	Continuous Injection System (Cis)

KFB	Convenience Feature
KG	Keyless go
KI	Instrument Cluster
KLA	Air Conditioning
KS	Knock Sensor
KSS	Knock Sensor System
Lamp	(Check Engine)
LCP	Lower control panel
LH	LH Sequential Fuel Management Bank 1 (1-6 or 1-8 Cylinders)
LH2	LH Sequential Fuel Management Bank 2 (7-12 Cylinders)
LH-S	SFI LH SEQUENTIAL FUEL MANAGEMENT BANK 1 (1-6 CYLINDERS)
LHS	Left Hand Steering
LLR	Cruise Control
LOC	Low Compression
LS	Loudspeaker System
LS	Power steering
MAF	Mass Air Flow
MAP	Manifold Absolute Pressure
ME	Motor Electronics
MIL	MALFUNCTION INDICATOR LAMP (CHECK ENGINE)
MSC	Mirror, Steering Column Adjustment, Heated Mirrors
MT	Manual Transmission
MT	MANUAL TRANSMISSION
MVA	Manifold Vacuum Assist
MWH	Main Wiring Harness
NS	Network System (CAN)
O2S	Oxygen (O2) Sensor
OBD	On-board Diagnostics
OC	Oxidation Catalytic Convertor
OCP	Overhead control panel
ORM	Outside Rearview Mirror
OSB	ORTHOPEDIC SEAT BACKREST
OSB	Orthopedic Seat Backrest
PDC	- Predrive Check
PL	Power Lock
PML	Speed-sensitive Power Steering
PMP	Partial Intake Manifold Preheater
PNP	Park/neutral Position
PS	Power Steering
PSE	Pneumatic System Equipment
PTS	Parktronic System
PW	Power Windows

PWM	Pulse Width Modulation
RB	Roll Bar Control
RCL	Remote Central Locking
RD	Radio
REST	RESIDUAL ENGINE HEAT UTILIZATION
RFH	Reversing aid
RFL	Radio frequency locking
RHR	Retractable Rear Head Restraints
RHS	Rear Heated Seats
RPM	Revolutions Per Minute (Engine Speed)
RS	Roadster softtop
RST	Roadster Soft Top
RTG	Retractable Trunk Lid Grip
RTR	Remote Trunk Release
RV	Roadster Soft Top
RWD	Rear Window Defroster
SAM	Signal Acquisition Module
SBC	Sensotronic brake Control
SBE	Seat Belt Extender
SEM	Security module (up to model year 1999)
SFI	SEQUENTIAL MULTI-PORT FUEL INJECTION/IGNITION
SHD	Tilting/sliding roof
SHI	Closing aid (Power closing)
SLO	Starter Lock-out
SMS	Service Microfiche System
SOR	Seat Occupied recognition
SPS	Speed-sensitive power steering
SR	Sliding/Pop-up Roof
SRA	Headlamp wash/wipe system
SRS	Supplemental Restraint System (Airbag)
STH	Stationary Heater
SVMCM	Special vehicle multifunction control module
TB	Throttle Body
TC	Transmission Control
TC	Turbo Charger
TCM	Transmission Control Module
TD	Speed Signal (Time Division) (EZL)
TDC	Top Dead Center
TIC	Transistorized Ignition Control
TN	Speed Signal (EZL/AKR)
TPC	Tire Pressure Control
TRAP	TRAP OXIDIZER
TS	Towing Sensor

TVV	Tank Ventilation Valve
TWC	Three Way Catalytic Converter
UCP	Upper control panel
ÜRB	Roll Bar Control
VAF	Volume Air Flow
VHG	Retractable trunk lid handle
VP	Vacuum pump brake booster
VR	Vario roof / Rollover bar (Electrohydraulic softtop)
VSS	Vehicle Speed Signal
WOT	Wide Open Throttle (Full Load)
WS	Wiper System
ZUV	Additional vacuum supply
ZV	Central locking system
